

Autumn School

Introduction to Numerical Methods for Moving Boundaries

Paris, November 12-14, 2007

Three courses will be given:

- **Level Sets Method**

(J.-D. Benamou)

- **Fast Marching Method**

(M. Falcone, N. Forcadel)

- **Graph Cuts Method**

(A. Chambolle, D. Cremers)

To register, to apply for financial support or
to apply to give a mini-talk, see the website:
